

Dovetail Sample Submission Instructions

Create one form for each sample

Instructions: Please complete the contact information portion of the form, and one "Sample Information Sheet" per sample you are sending. Your contact should be the person to whom we can direct any inquiries about your sample.

****REQUIRED, cannot receive samples without this form in shipment****

send copy to Project Manager

Please clearly mark all samples, with LIMSID shown

Please print the sample form and place a copy inside the box containing your sample when shipped. Also email a copy of the completed form back to your project manager.

Samples should be shipped, according to the provided sample guidelines, to:

Dovetail Genomics, LLC
ATTN: Production Lab, Customer Samples
100 Enterprise Way, Suite A101
Scotts Valley, CA 95066
